William H. Vanderbillt, the richest man in America, on a visit to Chicago some have special account. Such neglect unfortunately will always specially account account with some representation. The halfs took to certain railroad matters. The halfs took for the benefit of the dear publi

we not run on sentiment but on business prin- portrait of Gen. Lat ?, cipies. A representative of the New York Types delegraphed the whole interview to that paper, since it was supposed to postain imunderbilt telegraphed to the Trace from Denver that he had been misreported. Then the representative of the Times met the issue oving from persons who were present securately taken down. The whole tenor of the interview leaves the impression that Mr. Vanderbilt, because he is a very rich man, deems himself also a perf great.

The Paris Gadrie, estimates that, Europe The whole tenor of the interview leaves the

would of buying cattle in the market. "Whon supply the demand I want to buy up any politicism, his says, 'I siways find the anti-monopolists he niest always find the abit-monopoles where the control of the Indeed S are sense, the rings are purchasable, they don't bolieve in state of untiqual he says: "I don't bolieve in state of untiqual he says: "I don't bolieve in state of untiqual strikes the ballost timber. It did not the says: "I don't bolieve in state of unique strikes the ballost timber. It did commissioners; presumably for the grason, as commissioners;" presumably for the greaton, as he goes on to remark, that they be aver to be bought up by the railroads if any legislation favorable to the roads it desirable." Railway employes receive a share of his birdly contempt. Such of them as complain of them wages and long hours are "shiftless follows wages and long hours are "shiftless follows who mend their manner in drink had ristoned." who spend their money in drink and riotous who spend their money in dering sad rooms living, and who are ready to complain of any-thing.<sup>9</sup> Of such, remarks t e Tivect, is the water carrier, "an ambitious lad ealning \$16 r month of the great Vanderbilt's money by carrying ice-water through the train and act-

admirable system by which reproduce agences are able to build palaces, buy pricely works of art; and skim the cream from every material pleasure that the world affords. Thy should the prince bother himself with rackway disasters that carry mourning and lame station into

Vanderbilt's utterances have been with ly published by the press of the country, and as-A MANIFEST CONSIDERACY.

No doubt the view entertained by the do-

admirable system by which railroad magnets

partment of justice as to the real inwardness of the charge that men in the amplily of the department had attempted to it be icrors in the star roum cases is the correct one. It is in fact a deep and intricate complyingly, and a cappears on its face. The man-Fall, who is playing the chief part, is manifes by one of the conspirators' tools, whom her inferiously managed to get into the department of justice as their apy. Having once got him in and failing to derive advantage from him in any other way, they arranged to have him attempt

other way, they arranged to have improper indicates upon the flary, betweethy in the name of the government, they purpose being to divers applicin from the actives, and in each they were lard proceed to place the government in an embarrassing post on. Fall got into the department on admanner. He went to Plass, who was consincted ing the case against the thickes, and equesiant ed that he had important information in his powers in with a could be a facilities to me few lints, and should such find any some understopped points in fig. c. sc, which course for the government kinds to be true. that he managed to make a favoil deliberation that he managed is make a favol det impres-sion upon those who examined in manel at the instance of the government's counsel, he was given a temporary resation in to depart ment of justice at 4 minimal planty. He was simply instructed to work, pp his sacts and presents report by a specific fidule, and the was not allowed to have any other polymoscion, with find on. But whom to came to imake his re-
